Talk together

Ask the child to

- Point to each letter pattern in the box on the back cover and say the sound that it makes in words. Tell the child each sound if necessary.
- Look out for these letter patterns in the story and try to remember the sounds they make.

Read the story

Remember, children learn best when reading is relaxed and enjoyable, so give lots of praise.

- Look at the cover and read the title. Ask: *What is the boy holding?*
- Encourage children to point to the words and try to read any they don't recognise by saying the sounds of each letter pattern separately (e.g. *th - i - s*), then running the sounds together quickly. If they find it difficult to say the sounds, say them first and then see if they can hear the word.
- Explain that it is important when running the sounds in a word together to check it sounds like a real word as some words are less regular. Read the words *Mr*, *Mrs*, *have* and *some* if they don't recognise them. Point out the letters that make the usual sound in each word (e.g. the *s* in *some*). This will help them to remember these words.
