could ◆◆◆ /kəd, STRONG kɒd/

Could is a modal verb. It is used with the base form of a verb. **Could** is sometimes considered to be the past form of **can** , but in this dictionary the two words are dealt with separately.

1 MODAL You use **could** to indicate that someone had the ability to do something. You use **could not** or **couldn't** to say that someone was unable to do something. □ *For my return journey, I felt I could afford the extra and travel first class.* □ *I could see that something was terribly wrong.* □ *When I left school at 16, I couldn't read or write.* □ *There was no way she could have coped with a baby around.*

2 MODAL You use **could** to indicate that something sometimes happened. □ *Though he had a temper and could be nasty, it never lasted.* □ *He could be very pleasant when he wanted to.*

3 MODAL You use **could have** to indicate that something was a possibility in the past, although it did not actually happen. □ *He could have made a fortune as a lawyer.* □ *He did not regret saying what he did but felt that he could have expressed it differently.*

4 MODAL You use **could** to indicate that something is possibly true, or that it may possibly happen. □ *Doctors told him the disease could have been caused by years of working in smokey clubs.* □ *An improvement in living standards could be years away.*

5 MODAL You use **could not** or **couldn't** to indicate that it is not possible that something is true. □ *Anne couldn't be expected to understand the situation.* □ *He couldn't have been more than fourteen years old.*

6 MODAL You use **could** to talk about a possibility, ability, or opportunity that depends on other conditions. □ *Their hope was that a new and better country could be born.* □ *I knew that if I spoke to Myra, I could get her to call my father.*

7 MODAL You use **could** when you are saying that one thing or situation resembles another. □ *The charming characters she draws look like they could have walked out of the 1920s.*

8 MODAL You use **could** , or **couldn't** in questions, when you are making offers and suggestions. □ *I could call the local doctor.* □ *You could look for a career abroad where environmental jobs are better paid and more secure.*

□ *It would be a good idea if you could do this exercise twice or three times on separate days.*

9 MODAL You use **could** in questions when you are making a polite request or asking for permission to do something. Speakers sometimes use **couldn't** instead of 'could' to show that they realize that their request may be refused. [POLITENESS] □ *Could I stay tonight?* □ *Could I speak to you in private a moment, John?* □ *He asked if he could have a cup of coffee.* □ *Couldn't I watch you do it?*

10 MODAL People sometimes use structures with **if I could** or **could I** as polite ways of interrupting someone or of introducing what they are going to say next. [FORMAL , SPOKEN , POLITENESS] □ *Well, if I could just interject.* □ *Could I ask you if there have been any further problems?* □ *First of all, could I begin with an apology for a mistake I made last week?*

11 MODAL You use **could** to say emphatically that someone ought to do the thing mentioned, especially when you are annoyed because they have not done it. You use **why couldn't** in questions to express your surprise or annoyance that someone has not done something. [EMPHASIS] □ *We've come to see you, so you could at least stand and greet us properly.* □ *Idiot! You could have told me!* □ *He could have written.* □ *Why couldn't she have said something?*

12 MODAL You use **could** when you are expressing strong feelings about something by saying that you feel as if you want to do the thing mentioned, although you do not do it. [EMPHASIS] □ *'Welcome back' was all they said. I could have kissed them!* □ *She could have screamed with tension.*

13 MODAL You use **could** after 'if' when talking about something that you do not have the ability or opportunity to do, but which you are imagining in order to consider what the likely consequences might be. □ *If I could afford it I'd have four television sets.* □ *If only I could get some sleep, I would be able to cope.*

14 MODAL You use **could not** or **couldn't** with comparatives to emphasize that someone or something has as much as is possible of a particular quality. For example, if you say 'I couldn't be happier', you mean that you are extremely happy. [EMPHASIS] □ *The rest of the players are a great bunch of lads and I couldn't be happier.* □ *The news couldn't have come at a better time.*

15 MODAL In speech, you use **how could** in questions to emphasize that you feel strongly about something bad that has happened. [EMPHASIS] □

How could you allow him to do something like that? □ How could she do this to me?

16 could do with → see [do](#) ②

couldn't /kʊd n't/ **Couldn't** is the usual spoken form of 'could not'.

2 AUX Do is used to form questions, by putting the subject after 'do' and before the main verb in its infinitive form, that is the form without 'to'. □ *Do you like music?* □ *What did he say?* □ *Where does she live?*

3 AUX Do is used in question tags. □ *You know about Andy, don't you?* □ *I'm sure they had some of the same questions last year didn't they?*

4 AUX You use do when you are confirming or contradicting a statement containing 'do', or giving a negative or positive answer to a question. □ *'Did he think there was anything suspicious going on?'—'Yes, he did.'* □ *'Do you have a metal detector?'—'No, I don't.'*

5 AUX Do is used with a negative to tell someone not to behave in a certain way. □ *Don't be silly.* □ *Don't touch that!*

6 AUX Do is used to give emphasis to the main verb when there is no other auxiliary. [EMPHASIS] □ *Veronica, I do understand.* □ *You did have your phone with you.*

7 AUX Do is used as a polite way of inviting or trying to persuade someone to do something. [POLITENESS] □ *Do sit down.* □ *Do help yourself to another drink.*

8 VERB Do can be used to refer back to another verb group when you are comparing or contrasting two things, or saying that they are the same. □ [v] *I make more money than he does.* □ *I had fantasies, as do all mothers,*

about how life would be when my girls were grown. □ Girls receive less health care and less education in the developing world than do boys.
