The alphabet	62

Introduction

My Oxford Reading Tree Dictionary uses the familiar characters and vocabulary from The Oxford Reading Tree Stages 1 to 5 to introduce children to the important features of a dictionary. It contains over 300 words, each word in the A to Z section being in alphabetical order with a simple definition and an interesting, colourful picture. There are also additional end sections with words

that children will find particularly useful when writing, including all the key words from Stages 1 to 5. The words in the dictionary have been carefully chosen to support and develop children's reading, writing and speaking ability.

Here are the main features on the A to Z pages:

alphabet

capital letter

adventure
An adventure is something exciting that happens.

aeroplane
An aeroplane has wings and an engine and can fly.

age
Your age is how old you are.

add
When you add things together, you make more.

address
Your address is the place where you live.

6

8

My Oxford Reading Tree Dictionary supports children's reading and understanding of The Oxford Reading Tree stories and helps children to acquire basic dictionary and reference skills in an enjoyable way. They can learn about

the alphabet and alphabetical order, they can find out how to locate a word by using the initial letter, they can check their own spelling, and they can learn how to use simple definitions of words and so extend their vocabulary.

alphabet

The alphabet is all the letters used in writing.

apple

An apple is a round, crunchy fruit.

ambulance

You go in an ambulance if you are ill or injured.

attic

An attic is the room in the roof of a house.

animal

An animal is a living thing that is not a plant.

author

You are an author if you write a book.
